### **REMARKS**

No new matter is added by this amendment. The application was filed on November 3, 2003 with original claims 1-27. The Examiner has indicated that all claims have been allowed. This is noted with appreciation.

The Examiner objected to the abstract of the disclosure. Appropriate amendments have been made to the abstract. Therefore Applicants respectfully request that the Examiner's objection be withdrawn.

The Examiner also objected to the drawings for (1) failure to include various reference numerals which were mentioned in the description, and (2) inclusion of various reference numerals in the Figures which were not referenced in the description. Appropriate corrections to the drawings have been made. Therefore Applicants respectfully request that the objections to the drawings be withdrawn.

Applicants respectfully assert that the present application is now in condition for allowance. An early Notice of Allowance is respectfully requested. Applicant believes that no fees are due, however, if any become required, the Commissioner is hereby authorized to charge any additional fees or credit any overpayments to Deposit Account 08-2789 in the name of Howard & Howard Attorneys.
